## Wedding Music

### Introduction

The music provision for your wedding is important to us at St. James Briercliffe. We aim to provide a high standard of music to make your wedding service meaningful for you and the congregation present.

There are a range of options from the organ, which is nearly 150 years old, to the piano and choristers. The choristers can sing one item before the service begins as guests arrive, and one during the signing of the register. The lists enclosed are to help you choose music for certain parts of the service. If there is a piece of music you would like me to play or the choristers to sing then please see me at the end of any 10:15 service; I would be happy to help. Please bear in mind that about three months would be needed to practise additional music.

Many thanks and best wishes for your happy day.

ALPHABETICAL INDEX  
OF CHORAL WORKS

A new commandment  
All over the world  
All things bright and beautiful (Royal Oak)  
All things bright and beautiful  
As the deer  
Be still  
Colours of day  
Fill thou my life  
Give me joy  
God is love  
God who made the earth  
I the Lord of sea and sky  
Jesus good above all other  
Lord of all hopefulness  
O Lord, all the world belongs to you  
O perfect love  
One more step  
Such love  
The journey of life  
The Lord is my shepherd  
Your love
